

# Pre-School's Weekly Newsletter

15<sup>th</sup> September 2023

## Our Focus Text:

This week the children have listened to our focus text several times. They have been joining in with the repeated refrains "No it's a monkey," as we find the different animals that are hiding.

We have also been looking at the illustrations and talking about the different characters.

In our book area we have been finding other Spot books to read. Maybe you might find that you have some at home too.

## A Reminder for Next Week:

- Home/School booklets need to be returned by Monday 18<sup>th</sup> September.
- You are all invited to a 'Parents Evening Drop In' on Thursday 21<sup>st</sup> September from 3.30pm - 5.00pm.
- Please could you send a family photograph into school by Monday 25<sup>th</sup> September as the children will be talking about our families. It could be a family picture from a holiday, trip out or a birthday celebration. Thank you.

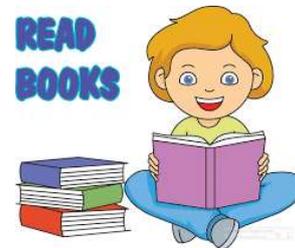

## Mathematics:

This week the children have been focusing on Language related to size. They have been sorting bears by size, identifying the big ones and the small/little ones. Some of the children went onto compare the differences between the bears as they used the language bigger than, smaller than, the biggest and the smallest.

## Lending Library:

Today your child will be choosing a book from our lending library to bring home and share with you.

Could you please read this book to your child and talk about the story and the characters. You can record your child's comments in their 'Sharing Book Journal'. Please see the Journal's insert for ideas when reading books at home.

## Home/School Booklets.

On Tuesday next week we will be looking at the home/school booklets that were given out to you on our home visits. If you have not sent them back yet, can you please do so on Monday as we will need them for the Tuesday.

Thank you to those parents who have already sent them in.
