Literacy - Our Phonic Sessions:

This week the children have been making different voice sounds. We have been teaching them how to pronounce them correctly. The sounds that we have been focusing on are:

- Wheeeee
- Shhhhh
- Ch ch ch ch
- Boing boing
- Ssssss
- Zzzzzz
- Tick tock

Can they copy you making these sounds at home?

Fay the Fox:

This week we are going to start sending Fay the Fox home with a child for the weekend. In her bag there is a diary for you to complete and a book for you to read. You will need to return her to Pre-School on Monday so that we can share her weekend adventures with the rest of the class. Look out for the foxy bag!

CAULIFLOWER CARDS

PART OF CAULIFLOWER GROUP LTD.

Today the children will be bringing home their cauliflower cards. You are able to purchase these by completing the order form online. The deadline for the returning the cards to school is:

We will not be accepting any cards after this date.

Our Family:

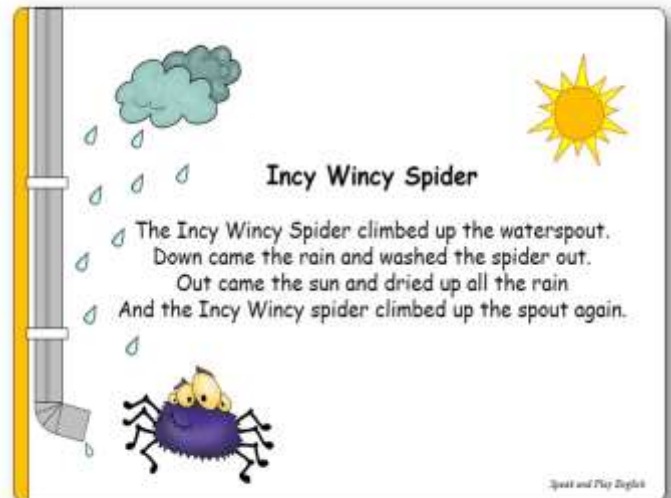

This week the children have enjoyed talking about their families. They were keen to talk about the different members of their family, especially their brothers and sisters.

Thank you to all those parents who sent in a family photograph. We have started to make a family floor book for the children to share.

Nursery Rhymes:

We have been learning the Nursery Rhyme Incy Wincy Spider this week.
