

Pre-School's Weekly Newsletter.

27th October 2023

On Thursday the children were very excited to make their chocolate apples. They looked at the bars of chocolate and had to predict what we would have to do in order to get it to cover the apple.

We then went onto use a microwave to melt the chocolate and we talked about how the consistency had changed.

They couldn't wait to dip their apples in and cover them in sprinkles.

We hope they all enjoyed eating them at home.

Mathematics.

This week the children have been looking at weight. We had a go at picking up the different sized pumpkins and talking about whether they were heavy or not.

Perhaps they could talk about things that are heavy at home.

Letters and Sounds.

This week we introduced Little Wandle - our Letters and Sounds programme. We have looked at the phoneme.

s for snake, sock, sun and star.

On Bertha's Bus we met a snail, snake, starfish and spider at the zoo!

We blended the words soap, sun, sack and sock from the box.

Family Learning 13th November

If you would like to attend our Family Learning Phonic Session, please sign up on the list next to the classroom door.

Older siblings of the children will be able to come and join us. Unfortunately, we are unable to accommodate younger siblings.

Pumpkin Soup

On Monday the children helped make pumpkin soup. They all had a turn at using the blender to watch the lumpy soup go smooth.

Dates for Future Events:

- Friday 27th October - School closes for Half Term and we reopen on Tuesday 7th November
- 13th November - Family Learning Week
