

# Pre-School's Weekly Newsletter.

10<sup>th</sup> November 2023

## Jackson Pollock

The children had great fun learning about the artist  
- Jackson Pollock.

We looked at the techniques that he uses when he paints. We then went and flicked paints on large pieces of paper. We were really careful not to get too messy!

## Family Learning Next Week

If you would like to attend our Family Learning Phonic Session, please sign up on the list outside.

Older siblings of the children will be able to come and join us. Unfortunately, we are unable to accommodate younger siblings.

## Dates for Next Week:

On **Monday** it is 'Odd Socks' day for the start of Anti-Bullying Week. Could your child please come in wearing odd socks.

On **Friday** it is 'Children in Need.' The children can come into school in their own clothes.

## Homework

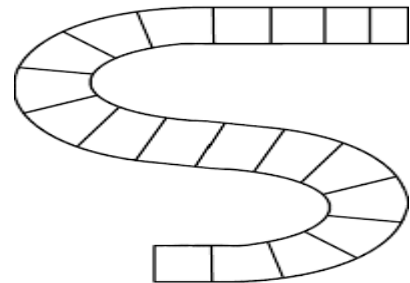

Thank you for all the wonderful homework that some of the children completed with you over the holiday.

They were extremely keen to show us the pictures and talk about all the exciting days that they had spent out and about with their families, especially at Halloween and Bonfire Night.

If you haven't sent it in yet, please can you do so as the children would like to share it with us all.

## Mathematics.

This week the children have been continuing to subitise amounts of 1 and 2 when playing a simple track game. They had to say how many dots they had on their card and then had to move their little duck along the path the correct amount of spaces.

They were great at counting along when moving their little duck.

## Letters and Sounds.

This week we have looked at the phoneme.

a for astronaut, ant, arrow and apple.

On Bertha's Bus we met an ant, anteater and an antelope at the zoo!

We blended the word ant from the box.
