

Pre-School's Weekly Newsletter.

24th November 2023

Stick Man

This week we have started our new text Stick Man.

We decided to go on a stick hunt and see if we could find different types of sticks.

See if you can find any sticks over the weekend to bring into Pre-School.

Letters and Sounds.

This week we have looked at the phoneme.

p for penguin, pizza, peg and pencil.

On Bertha's Bus we met a pig and a penguin at the zoo!

Length

This week the children have been looking at all the different sticks that we found on the field and discussing their length.

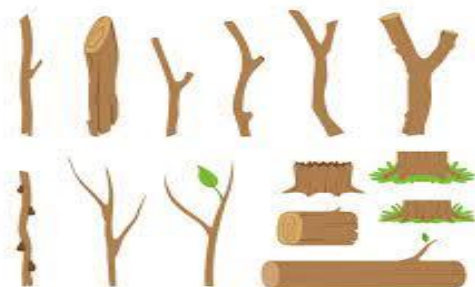

We found that some of the sticks that we found were long and some of them were short. I wonder if you can find any long and short sticks when you are out and about.

Understanding the World.

We have been looking at trees and what comes from trees. We have talked about the tree trunk, branches, sticks, twigs and bark. We have also been looking at different objects that are made out of wood.

I wonder if you can find anything wooden at home?

Dates for Future Events:

- **15th December** - Our Nativity Show, there are two performances at 9.15am and 2.15pm. If your child has a 30 hour place then you can attend either performance as the children will be in both. **More information about tickets will follow.**
- **21st December** - Break up for Christmas.

Christmas Party - 20th December

On this day the children will attend Pre-School in their party clothes. **All the morning children will need to attend Pre-School in the afternoon as the party starts at 12.15pm.**
