## Message Board

- We still have quite a few jumpers and PE tops that have not been claimed. We think that maybe the names have been washed out of them. We will leave them out during the parent's evenings so if your child has lost one you will hopefully be able to find it. 
- We are really short of spare socks, and tights and are unable to change children in their feet get wet. You can place a spare pair of socks in their book bags and please donate any that your children out grow we will always use them. 
- Can you please remember to send your child's book bag in on a Thursday and Friday with their reading records, reading and picture book. The children must have a book bag in order to take their books home. They do not need other bags as there is limited room in the cloak room.
