Letters and Sounds.

This week we have looked at the phoneme.

m for marble, moon, mouse, monkey.

On Bertha's Bus we met a moth, mouse and monkey at the zoo!

Just a reminder:

PE days are on Thursday.

Lending Library Day is Friday - your child will need to return their book on this day in order to receive a new one for them to share at home.

Parents Evenings are on Tuesday and Wednesday next week - thank you to those parents that have already booked an appointment.

We're Going on a Bear Hunt

This week we have started our new text 'We're Going on a Bear Hunt.'

We're Going on a Bear Hunt

Michael Rosen Helen Oxenbury

Your child has brought home an outline of the activities that we will be covering in class, alongside some activities that you can complete with them at home.

Mathematics.

This week the children have looking at the numerals 1, 2 and 3. They have been identifying the numbers and counting out the correct number of bears to match the numerals on each cave.

Can they find these numerals when they are out about? I wonder which number they see the most.

We would like to wish you all a very happy new year.
