

# Pre-School's Weekly Newsletter.

26<sup>th</sup> January 2024

## Different Bears

This week we have continued to look at different types of bears. We have focused on polar bears, brown bears and pandas. We watched some video clips on them and have found out where they live and what they like to eat. We looked at some bamboo and decided that we would not like to be like a panda and eat it all day long!

## Mathematics.

We have been looking at the 2D shape - triangle. We have learnt that it has three straight sides. The children went on a shape hunt in the classroom looking for triangles.

When they are out and about see if they can spot any triangles.

## Just a reminder:

**Parents Evening - Tuesday 30<sup>th</sup> & Wednesday 31<sup>st</sup> January.**

The time of your appointment will be exactly the same as the one that you previously booked.

### **Attendance**

It is really important that your child attends Pre-School on time as this is a government funded place that requires each child to have an expected attendance of 80%+.

## Going on a Bear Hunt!

In our key text the children have been looking at the wonderful vocabulary used to create the different sounds.

*We're Going on a Bear Hunt*  
Michael Rosen Helen Oxenbury

I wonder if they could tell you what the sounds are for:

- The long wavy grass
- The deep cold river
- The thick oozy mud
- The swirling whirling snowstorm
- The deep dark forest
- The narrow gloomy cave

## Letters and Sounds.

This week we have looked at the phoneme.

*g for glasses, grapes, goat and girl*

On Bertha's Bus we met a goose, gorilla and goat at the zoo!

We have been blending the words

- Gate
- Goose
- Girl
- Goat
