

Pre-School's Weekly Newsletter.

9th February 2024

Who's been eating the porridge!

This week we have been making porridge with the children. The children looked at the oats and then added milk to them. We talked about how the oats were dry but then went soggy when the milk was added. They then went to cook them in the microwave. Finally, they ate it all up just like Goldilocks!

Mathematics.

We have been looking at the story Goldilocks and the Three Bears. The children have been sorting out the different sized bowls, chairs and beds and matched them to the correct bear.

We have been using the language large, big, medium sized, small and little.

If you go down in the woods today!

Today the children were joined by their Teddy Bears as they pretended to go down in the wood for a Teddy Bear's Picnic. They all enjoyed munching on our delicious teddy bear snacks and went onto watch the animated film of We're Going on a Bear Hunt.

Letters and Sounds.

This week we have looked at the phoneme.

c for cup, car, cat, crown

On Bertha's Bus we had to say what sound the cow, goose, dog and octopus began with at the zoo!

We have been blending the words

- Cup
- Coin
- Cat
- Cup

Dates for the Diary:
