## The Gruffalo

This week the children have been joining in with the song **The Gruffalo**. We have been looking at the text and talking about the features that Julia Donaldson uses to describe him. Using this information, we went onto make our very own Gruffalo mask!

Next week we will be using this language to describe the Gruffalo. I wonder if you can remember what he has?

## **The Route The Little Brown Mouse Took**

This week the children have been drawing the route that the Little Brown Mouse took through the wood. We looked at the different features that he walked past - rocks, tree top house, stream and lake.

## **Letters and Sounds.**

This week we have looked at the phoneme.

e for egg, envelope, elbow, elephant

On Bertha's Bus we had to say what sound the cat, pig, camel and newt began with at the zoo!

We have been blending the words

- Cot
- Peg
- Ten

## **Family Learning**

Thank you to all the parents/grandparents that have signed up for our family learning. As it is World Book Day next week the focus will be sharing books with your child. We will also be making a little Sherdley Bookworm bookmark for you to take home and use.

## **Just a reminder:**

**March 7<sup>th</sup> World Book Day** - the children can dress up or wear their own clothes and donate good quality books.

**March 4<sup>th</sup> to 8<sup>th</sup> Mother's Day Afternoon Tea**

**March 15<sup>th</sup> - Red Nose Day** all children are to come to school dressed in something red. They can also bring in a joke to tell to their friends.

**Thank you for all the kind donations that you sent in today for the Easter raffle.**
