

Pre-School's Weekly Newsletter.

15th March 2024

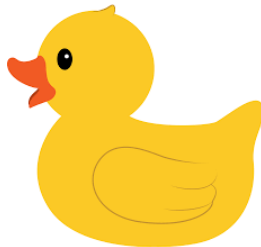

Our New Text

This week the children have been introduced to our new text 'Daisy and the Egg.'

We have been learning all about ducks and where they live.

Mathematics

This week we have been counting up different amounts of ducks on the pond. The children have been recording their answers by writing the numerals 1, 2 and 3. Maybe they could practise writing these numbers at home.

Life-cycles

Over the next few weeks we will be looking at the life-cycle of a frog, a duck and ourselves.

Could you please send in a photograph of your child as a baby and then a toddler so we can order them and talk about how they have changed.

Thank you.

Colour Mixing

This week the children experimented with colour mixing as they mixed blue and yellow together. Can they tell you what colour it made? We used this colour to paint our lily pad.

Letters and Sounds.

This week we have looked at the phoneme.

r for rocket, rice, rabbit and rainbow

On Bertha's Bus we had to say what sound the turkey, rat, camel and monkey began with at the zoo!

We have been blending the words

- man
- run
- pen

Just a reminder:

Please do not use the staff carpark when picking your child up from Pre-School. Thank you.

Wednesday 20th until 27th March Raffle tickets will be on sale for £2 a strip.

Thursday 18th April - Pre-School's trip to Acorn Farm.

If you are able to volunteer as a helper on this day, please let us know. Thank you to all the parents who have already volunteered.
