

Pre-School's Weekly Newsletter.

19th April 2024

Acorn Farm!

Yesterday the children had great time at the farm.

We got to see the two baby lambs that had been born that morning at 6.00am. As well as seeing the different animals we got to feed the hens, goats and sheep. We also stroked the rabbit, chicken, rat and guinea pig.

Thank you for all the parents that helped out on our trip, we couldn't have done it without you.

Letters and Sounds.

This week we have looked at the phoneme.

f for fish, frog, flower, flamingo

On Bertha's Bus we had to say what sound the bear, beetle, frog, snail and caterpillar began with at the zoo!

We have been blending the words

- fan
- bus
- bag

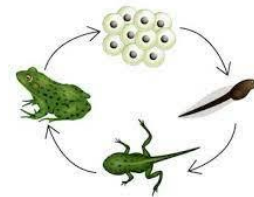

Mathematics

This week we have been playing flicking frogs. The children had to flick the frog and see if it landed on the number 1, 2 or 3 lily pads. We then went onto see who had scored more or less.

Life-cycles

We have been looking at the life cycle of a frog.

Can your child tell you what a baby frog is?

On Wednesday we had a delivery of tadpoles which we will be watching grow over the next few months. We can't wait to see how they change.

Just a reminder:

Parents Evening next week is on:

**Tuesday 23rd April - 3.30pm until 6.00pm
and**

Wednesday 24th April - 5.00pm until 7.30pm

Thank you to all those parents that have already booked an appointment. If you have not already done so please select a time before Monday.
