Our New Text - Jasper's Beanstalk

This week we have introduced our new text to the children and they have started to join in with the days of the week.

Our Life Cycle

The children have sequenced the photographs that you sent into school as we have been looking at our own life cycle. They have really enjoyed talking about what they were like as a baby, what they could do and how they have changed.

Thank you for all the wonderful pictures.

Number 4

This week the children have been looking at the number 4. They have been finding the numeral on the plant pot and have been counting out the correct amount of beans to match it. We talked about solving these problems:

What do we need to do if we have 5 beans and we only want 4?

What do we have to do if we have 3 beans but we need a total of 4?

Can you child count out 4 toys from their toybox?

Letters and Sounds.

This week we have looked at the phoneme.

l for leaf, lips, lollipop, lemon

On Bertha's Bus we had to say what sound the hen, fish, frog and lamb began with at the zoo!

We have been blending the words

- hit
- rat
- leg
