

Pre-School's Weekly Newsletter.

3rd May 2024

Keeping the Beat!

The children have been tapping out the beat to our Nursery Rhyme 'Horsie Horsie.' They all had a set of claves to beat out the rhythm of the music.

Here comes the sun!

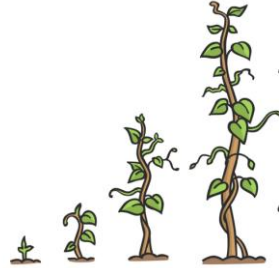

Now that the good weather has arrived could you please send in a sunhat or cap for your child to keep in Pre-School as they will need to wear it when playing outside.

Also, could you please ensure that all jumpers and caps are named as we have noticed that a lot of the children's cardigans and jumpers no longer have names in them. We are finding with the hotter weather that the children are not wearing them anymore.

Mathematics.

This week we have been looking at the different heights of beanstalks and watching what happens when plants grow.

We used the language tall, taller, tallest and short when we described the different heights.

I wonder if our beanstalks will grow this tall?

Letters and Sounds.

This week we have looked at the phoneme.

j for jellyfish, jam, jug

On Bertha's Bus we had to say what sound the lizard, jellyfish, flamingo and bee began with at the zoo!

We have been blending the words

- jam
- jug
- jet
- jeep

Just a reminder:

Monday 6th May - Pre-School is closed for the bank holiday.

Thursday 23rd May - Sports Day
9.00 - 9.45am
or 1.30 - 2.15pm

Friday 24th May - Pre- School closes for the half term holiday.
