

# Pre-School's Weekly Newsletter.

10<sup>th</sup> May 2024

## Our Beans!

This week the children have been really excited as they noticed that their bean seed has started to grow as they all have a shoot. We are going to continue to water them and watch them as they grow taller.

You can see pictures of us growing them on our class page on the school website.

## Tall and Short!

This week we have carried on looking at tall and short objects and have been using this language around Pre-School. We have been busy making tall and short beanstalks in the playdough and the construction area and have also painted tall and short beanstalks.

Can you find any tall and short plants in your garden?

## Just a reminder:

### On Your Marks, Get Set, Go!

On Thursday 23<sup>rd</sup> May we will be taking part in **Sports Day**. You and your family are more than welcome to help us celebrate this fun event. You can choose to come to either the morning session, afternoon session or both if your child attends for 30 hours.

On this day the children will need to attend Pre-School in suitable PE footwear (trainers or pumps with no laces).

We look forward to seeing you on this day.

**Morning Session - 9.00 - 9.45am**

or

**Afternoon Session - 1.30 - 2.15pm**

## Sun Hats must remain in Pre-School.

Please could you ensure that your child has a sun hat that they can keep in Pre-School. Now the weather has improved the children will not be able to play outside without a sunhat.

## Letters and Sounds.

This week we have looked at the phoneme.

v for volcano, van, vegetable

We have been looking at initial sounds and making up silly alliteration rhymes eg, Louie likes to lick a long lollipop.

We have been blending the words

- Van
- vet
