

# Reception Newsletter 10th May 2024

This week we have been looking at minibeast and making models and pictures of them. We have listen to poems from our key text 'Mad About Minibeasts'. We have also been planting sunflowers, creating patterns using natural materials and practising our poems and songs for our assembly.

This week in phonics we have been looking at longer and compound words. We have read these words:

tantrum forest  
printer chapter  
blanket blossom  
shampoo children  
chimpanzee freshness  
windmill sandpit  
handstand lunchbox

We have learnt some new tricky words:

**there when what one**

We continue to practise the Phase 3 diagraph and trigraphs every day

## Message Board

Your child will have brought a minibeast poem home with them this week. Please take time to help your child learn to recite their poem ready for their performance on Monday. We can't wait to see you all there. Our assembly will last around 20 minutes.

**Congratulations** this week goes to:

Max in RE – He shared his amazing cricket medal for hitting a ball really far. We are so proud of our little cricketer.

**Hard Workers** Teddy (RE) Harrison (RR)

**Golden Pupils**

Scarlett in RE for being an excellent role model in the classroom and always making good choices.

Alfie in RR always happy and enthusiastic

Please can you send in a hat, water bottle and suncream clearly labelled with your child's name. We will encourage the children to apply their own suncream before lunchtime so they may need to practise at home first. Hopefully, this lovely weather will last a little longer.

## Dates for your Diary:

**Monday May 13th**– Reception Assembly for parents and carers at 2:30pm. Please come along to watch, if you can make it.

**Tuesday May 21st** –Reception's Sports Day at 1:30-2:30pm -You can come along and watch your children enjoy this event.
