

Pre-School's Weekly Newsletter.

17th May 2024

Jack and the beanstalk.

This week the children have been looking at different versions of Jack and the beanstalk.

We also looked at castles around the world and talked about the different parts of a castle - towers, drawbridge, battlements, turrets and cannons. The children then went onto make their own castles with the duplo in the construction area.

Days of the Week.

The children have been learning lots of days of the week songs. They also went onto order the different days of the week from the book Jasper's Beanstalk and talked about what he did on each day. For example, "on Monday he found a bean, on Tuesday he planted it". Can they remember what he did on Wednesday?

I wonder what you do on Saturday and Sunday?

Just a reminder:

Thursday 23rd May - Sports Day
Morning Session - 9.00 - 9.45am
Afternoon Session - 1.30 - 2.15pm

Friday 24th May - Break The Rules Day
The children can come to school in their own clothes, wearing different coloured bobbles, etc
It is 50p per rule broken.

Friday 24th May - Pre-School Closes
Tuesday 4th June - Pre-School Reopens

Jack's Beanstalk 'A race to the top'

The children played a maths game where they had to roll the dice and climb up the beanstalk. They had to recognise the numbers 1, 2, 3 and 4 and then count along the correct number of leaves. Can they play any simple board games at home?

Letters and Sounds.

This week we have looked at the phoneme.

w for web, wave and wig

We have been looking at initial sounds and talked about what whale, hen, lion and beetle begin with.

We have been orally blending the words

- mud
- bell
- sad
-

Can they tell you what phoneme their name begins with?
