

# Pre-School's Weekly Newsletter.

24<sup>th</sup> May 2024

## Squares!

This week we have been looking 2D shapes, focusing on squares. We have been square shape detectives as we had to sort out all the squares from the different shapes.

Can your child tell you how many sides and corner does a square have? What is special about the length of each of the square sides?

## Our Senses

This week we have been looking at our 5 senses, focusing on what we can smell. During our science experiment the children had to smell different smells and describe them.

smell

Can they tell you what sounds were sweet, sour, spicy or disgusting!!

## Our New Text!

This week we have introduced our new text 'Whiffy Wilson the wolf who wouldn't wash.

We have been focusing on how we must keep clean and what we use to wash our bodies. The children have been making bubbles with the bubble bath in the water tray and watched what happens to bath bombs in the tub. Maybe they could help run their own bath and pour bubble bath into it at home.

## Letters and Sounds.

This week we have looked at the phoneme.

x as at the end of box, fox and wax

We have been orally blending the words:

- pop
- bed
- cup
