

Pre-School's Weekly Newsletter.

5th July 2024

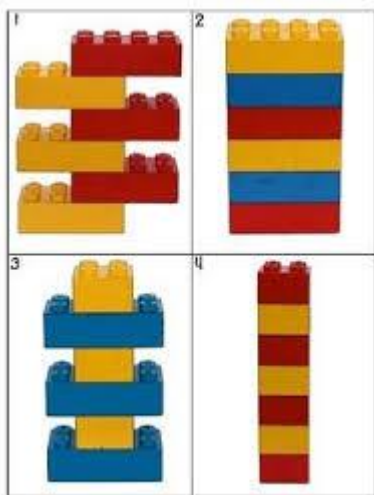

Our Transition into Reception.

This week the children have had two visits to Reception. They were very eager to talk about what they had enjoyed doing during their visit. The outdoor area proved to be a real hit as they thoroughly loved trying out the new climbing equipment.

We hope you had an enjoyable stay and play too!

Repeating Patterns.

This week we have been making repeating patterns with the Duplo blocks. We chose two colours and created a patterned tower.

3D Shapes!

This week the children have been building houses using the wooden blocks.

We looked for the best shapes for the chimney, roof and walls. We talked about using cubes, cuboids, triangular prisms and cylinders.

Our House!

This week we have been drawing pictures of our own house.

We talked about what we liked about our house and which room was our favourite.

What material is your house made out of?

Dates for the Diary:

Thursday 11th July - Sports Day -
9.00am or 1.30pm on the field.

Friday 12th July - Music Festival - for the children in the afternoon starting at 1.15pm on the KS2 Football Pitch.

Monday 15th July - your child will go into Reception for a Stay and Play session.

Wednesday 17th July - Graduation morning at 10.15am for the children leaving Pre-School. We will start in the Key Stage One hall and sing a selection of songs and then afterwards you and your family are invited to attend a garden party in Pre-School.

Friday 19th July - Pre-School closes for the Summer Holidays.

Friday 6th September - Pre-School opens for the children staying with us.
